The SPEAKER pro tempore (Mr. SIMMONS). Under the Speaker's announced policy of January 3, 2001, and under a previous order of the House, the following Members will be recognized for 5 minutes each.

FAST TRACK IS THE WRONG ISSUE AT THE WRONG TIME FOR AMERICA

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Michigan (Mr. BONIOR) is recognized for 5 minutes.

Mr. BONIOR. Mr. Speaker, I want to, first of all, commend my colleague, the gentleman from Ohio (Mr. BROWN) for arranging a discussion this evening of the fast track issue that is pending now before this body.

For several months now, lawmakers and corporate executives have been pushing to grant President Bush fast track authority, which is basically the authority to negotiate trade deals and not have the Congress to any extent really participate in the decision-making process, taking away Article I, Section 8 of our constitutional responsibilities. This push has not been slowed by the attacks of September 11, and what we have seen is unemployment soaring, layoffs are multiplying, workers are hurting, and still, week in and week out, we hear that fast track is coming to the floor.

Well, Mr. Speaker, right now this Nation needs to remain unified. We need to act with a common purpose. Fast track will only divide us. I have heard the arguments that fast track will stimulate our economy. Nothing, nothing could be further from the truth. The fast track bill at issue now is designed to speed complex trade agreements through Congress without a real debate in our country or a real debate and scrutiny in this institution. No one in this House could offer an amendment to improve the deal that is negotiated. And, making matters worse, this fast track bill includes no guarantees or provisions to ensure that the rights or jobs of American workers are protected.

The reality is that fast track accelerates an already flawed trade policy through Congress. Once these deals are
